

2nd Circular

**The 12th Conference of International Consortium of
Landscape and Ecological Engineering
ICLEE 2022**

Japan

November 19 (Sat) – 20 (Sun), 2022

Nature-based Solutions for Creating Sustainable Landscapes

Venue: Online

Date: November 19 (Sat) – 20 (Sun), 2022

Day 1 Morning Opening Ceremony, Keynote Speeches
Afternoon Oral Presentations

Day 2 Morning Oral Presentations
Afternoon Oral Presentations, Closing and Award Ceremony

Fees (Jpn Yen): 3,000 JPY for presenters, excluding students (Students present free!)
Non-students who are not presenting also participate free.

Eligibility of presenters: Presenters must be a member of the organizations that constitute ICLEE in respective countries. Students who are not yet a member can still present as far as one of the co-authors is a member. One person is limited to one presentation (becoming a co-author is OK).

Excellent abstracts/presentations will receive awards (book vouchers from Springer).

Abstract: Presenters must submit an abstract (limited to one page) by September 20. Abstract format will be available at a later date. No reviews will be conducted on the submitted abstracts.

A special issue of ICLEE 2022 is being planned for the Journal of Landscape and Ecological Engineering (Impact Factor (2021): 2.147).

Schedule:

July 20: Registration and abstract submission open

September 20: Abstract submission deadline

October 31: Registration closes
